Section 3. The Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act;

(F) Although the Project constitutes a project where facilities or property that are primarily used in making retail sales of goods or services to customers who personally visit such facilities constitute more than one-third of the costs of the Project, the Agency is authorized to provide financial assistance with respect to the Project pursuant to Section 862(2)(a) of the Act

because the Project is located in a census tract adjacent to a distressed census tract and therefore is in a “highly distressed area” (as defined in the Act);

(G) The granting of the Financial Assistance by the Agency with respect to the Project will promote and maintain the job opportunities, general prosperity and economic welfare of the citizens of City of Albany, New York and the State of New York and improve their standard of living, and thereby serve the public purposes of the Act;

Section 6. The Agency is hereby authorized to acquire, construct and install the Project Facility as described in the Lease Agreement and to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisition, construction and installation are hereby ratified, confirmed and approved; provided, however, that no financial assistance shall be provided to the Project by the Agency unless and until the Mayor of the City of Albany, New York, as chief executive officer of the City of Albany, New York, shall, pursuant to Section 862(2)(c) of the Act, confirm the proposed action of the Agency with respect to the Project.

the execution thereof by the Chairman (or Vice Chairman) to constitute conclusive evidence of such approval.

(B) The Chairman (or Vice Chairman) of the Agency is hereby further authorized, on behalf of the Agency, to designate any additional Authorized Representatives of the Agency (as defined in and pursuant to the Lease Agreement).

Section 9. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Agency Documents, and to execute and deliver all such additional certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing Resolution and to cause compliance by the Agency with all of the terms, covenants and provisions of the Agency Documents binding upon the Agency.
